| Rec | ommended use of the | cher | nical and restricti | ons on use | | | | |

Recommended use : crude product for the production of technical rubber articles

SECTION 2. HAZARDS IDENTIFICATION

| GHS classification in a 1910.1200) | ccordance with the OSHA Hazard Communication Standard (29 CFR | | | | |
|---|--|--|--|--|--|
| Not a hazardous substa | nce or mixture according to the Globally Harmonized System (GHS). | | | | |
| GHS label elements Not a hazardous substar Other hazards None known. | Not a hazardous substance or mixture according to the Globally Harmonized System (GHS). Other hazards | | | | |
| SECTION 3. COMPOSITION | /INFORMATION ON INGREDIENTS | | | | |
| Chemical nature | : Copolymer consisting of ethylene and vinyl acetate | | | | |
| | Polymer | | | | |

Polymer

Components No hazardous ingredients

SECTION 4. FIRST AID MEASURES

| Version 1.2 | Revision Date: 01.02.2021 | | DS Number: 03000002553 | Date of last issue: 21.08.2020 Date of first issue: 21.01.2020 | | |
|----------------|--|---|---|--|--|--|
| If inhaled | | : | If inhaled, remove to fresh air. Get medical attention if symptoms occur. | | | |
| In (| In case of skin contact | | Wash off with soap and water. Get medical attention if symptoms occur. | | | |
| In o | In case of eye contact | | Flush eyes with water as a precaution. Get medical attention if symptoms appear. | | | |
| lf s | If swallowed | | Get medical atter | tion if symptoms appear. | | |
| and | st important symptoms d effects, both acute and ayed | : | | burning, and possible permanent damage. naterial causes thermal skin burns. | | |

SECTION 5. FIRE-FIGHTING MEASURES

| Suitable extinguishing media | : | Water spray Foam Dry chemical Carbon dioxide (CO2) Use extinguishing measures that are appropriate to local cir- cumstances and the surrounding environment. |
|--|---|--|
| Unsuitable extinguishing media | : | None known. |
| Specific hazards during fire fighting | : | Toxic and irritating gases/fumes may be given off during burn- ing or thermal decomposition. |
| Hazardous combustion prod- ucts | : | Carbon dioxide (CO2) Carbon monoxide |
| Further information | : | Standard procedure for chemical fires. Use extinguishing measures that are appropriate to local cir- cumstances and the surrounding environment. |
| | | Promptly isolate the scene by removing all persons from the vicinity of the incident if there is a fire. No action shall be taken involving any personal risk or without suitable training. |
| Special protective equipment for fire-fighters | : | Fire-fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full face-piece operated in positive pressure mode. |

SECTION 6. ACCIDENTAL RELEASE MEASURES

| Personal precautions, protec- | : | Avoid dust formation. |
|-------------------------------|---|---|
| tive equipment and emer- | | No action shall be taken involving any personal risk or without |
| gency procedures | | suitable training. |

| Vers 1.2 | sion | Revision Date: 01.02.2021 | SDS Number: 103000002553 | | Date of last issue: 21.08.2020 Date of first issue: 21.01.2020 |
|-------------|---------|---|-----------------------------|---|---|
| | | | | Do not touch or w Evacuate personn | e personal protection equipment. alk through spilled material. nel to safe areas. y and unprotected personnel from entering. |
| | Environ | mental precautions | : | No special enviror | nmental precautions required. |
| | | | | • | spilled material and runoff and contact with rains and sewers. |
| | | s and materials for ment and cleaning up | : | Sweep up and she | ge disposal without creating dust. ovel. closed containers for disposal. |
| | | | | beled waste conta Dispose of wastes Do not allow spille | up material and place in a designated, la- |

SECTION 7. HANDLING AND STORAGE

| Advice on protection against : fire and explosion | Provide appropriate exhaust ventilation at places where dust is formed. |
|--|--|
| Advice on safe handling : | For personal protection see section 8. Smoking, eating and drinking should be prohibited in the ap- plication area. |
| | Remove contaminated clothing and protective equipment be- fore entering eating areas. Workers should wash hands and face before eating, drinking and smoking. Put on appropriate personal protection equipment. Eating, drinking and smoking should be prohibited in areas where this material is handled, stored and processed. |
| Conditions for safe storage : | Store in a dry place. Keep away from direct sunlight or strong incandescent light. |
| | Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials (see Section 10) and food and drink. Keep container closed when not in use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate container to avoid environmental contamina- tion. |
| | Electrical installations / working materials must comply with the technological safety standards. |

| Version 1.2 | Revision Date: 01.02.2021 | - | OS Number: 3000002553 | Date of last issue: 21.08.2020 Date of first issue: 21.01.2020 | | | |
|----------------|---|-----|--|---|--|--|--|
| Mate | rials to avoid | : | No materials to be | e especially mentioned. | | | |
| | Recommended storage tem- perature | | < 104 °F / < 40 °C | | | | |
| | Further information on stor- age stability | | No decomposition if stored and applied as directed. | | | | |
| | 8. EXPOSURE CONTR | | | DTECTION | | | |
| | edients with workplace ains no substances with | | | limit values | | | |
| | neering measures | : | Good general ver | ntilation should be sufficient to control work- borne contaminants. | | | |
| Pers | onal protective equipm | ent | | | | | |
| | iratory protection | : | Respirator selecti exposure levels, t | on must be based on known or anticipated he hazards of the product and the safe he selected respirator. | | | |
| Hand | l protection | | | | | | |
| R | emarks | : | Wear suitable glo | ves. | | | |
| Eye | protection | : | Tightly fitting safe Safety glasses wi | | | | |
| Skin | and body protection | : | Wear suitable pro | tective clothing. | | | |
| Hygie | ene measures | : | Wash hands, fore chemical products lavatory and at the | hygiene practice. arms and face thoroughly after handling s, before eating, smoking and using the e end of the working period. ash stations and safety showers are close location. | | | |

SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

| Appearance | : | granular |
|---------------------|---|---------------------|
| Color | : | colorless |
| Odor | : | odorless |
| Melting point/range | : | > 212 °F / > 100 °C |
| Solubility(ies) | | |

| Versio 1.2 | n Revision Date: 01.02.2021 | | S Number: 3000002553 | Date of last issue: 21.08.2020 Date of first issue: 21.01.2020 |
|------------------------------|--------------------------------|---|--|---|
| Solubility in other solvents | | : | Solvent: Aromatic hydrocarbons Description: soluble | |
| | | | Solvent: chlorina Description: solu | ted hydrocarbons ble |
| Au | utoignition temperature | : | > 752 °F / > 400 | °C |
| De | ecomposition temperature | : | 554 °F / 290 °C | |

SECTION 10. STABILITY AND REACTIVITY

| Reactivity | : | No specific test data related to reactivity available for this product or its ingredients. | | | |
|---|---|--|--|--|--|
| Chemical stability | : | The product is stable. | | | |
| Possibility of hazardous reac- tions | : | None known. | | | |
| Conditions to avoid | : | Extremes of temperature and direct sunlight. | | | |
| Incompatible materials | : | No specific data. | | | |
| Hazardous decomposition products | | | | | |

SECTION 11. TOXICOLOGICAL INFORMATION

Information on likely routes of exposure Inhalation Skin contact

Acute toxicity Not classified based on available information.

Skin corrosion/irritation

Not classified based on available information.

Serious eye damage/eye irritation

Not classified based on available information.

Respiratory or skin sensitization

Skin sensitization

Not classified based on available information.

| | | The product is practically insoluble in water. In view of its con- sistency and insolubility in water, no ecological problems are to be expected if the product is properly handled. This product is not readily biodegradable. | | |
| SECTION | N 13. DISPOSAL CONSIL | DERATION | IS | |
| Disp | oosal methods | | | |
| RCF | A - Resource Conserva- and Recovery Authoriza- | hazar er, un deterr ing th | dous waste der RCRA, nine at the e product o | purchased form, this product would not be a either by listing or by characteristic. Howev- it is the responsibility of the product user to time of disposal, whether a material contain- r derived from the product should be classi- bus waste. (40 CFR 261.20-24) |
| | | | | |

| RCRA - Resource Conserva- tion and Recovery Authoriza- tion Act | : | If discarded in its purchased form, this product would not be a hazardous waste either by listing or by characteristic. However, under RCRA, it is the responsibility of the product user to determine at the time of disposal, whether a material containing the product or derived from the product should be classified as a hazardous waste. (40 CFR 261.20-24) |
|---|---|--|
| Waste from residues | : | The generation of waste should be avoided or minimized wherever possible. Waste disposal should be in accordance with existing federal, state, provincial and/or local environmental controls. This material and its container must be disposed of in a safe way. Empty containers retain product residue; observe all precau- tions for product. Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers. |
| Contaminated packaging | : | Empty containers should be taken to an approved waste han- dling site for recycling or disposal. |

SECTION 14. TRANSPORT INFORMATION

International Regulations

UNRTDG

Not regulated as a dangerous good

IATA-DGR

Not regulated as a dangerous good

IMDG-Code

Not regulated as a dangerous good

Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code

Not applicable for product as supplied.

Domestic regulation

49 CFR
